Solomon Ward Seidenwurm & Smith, LLP

Profile

Solomon Ward Seidenwurm & Smith, LLP was founded in 1977, and we are located in San Diego, California. Our legal team is dedicated to achieving excellence in the eyes of our clients.

Our core beliefs are to be accessible and responsive to our clients, to provide practical solutions based on our extensive legal experience, and to bill transparent, reasonable fees for our services.

Our clients, including Fortune 500 companies, private and public entities, companies from throughout the construction industry, real estate and property management companies, large and emerging high-technology corporations, and individual entrepreneurs, comment favorably on our deep legal experience and sophistication and sensitivity to their needs.

The diversity of our practice areas enables us to provide a full range of legal services to businesses of all sizes, as well as individuals. Our size and staffing allows us to tailor our services to each client and to handle efficiently and effectively matters of varying complexity including large, complex matters.
