Wednesday, December 1, 2010

Solomon Ward Seidenwurm & Smith has elected Jenifer N. Thomas to the firm's partnership.

Her practice focuses on office, retail and industrial leasing and property acquisitions and dispositions. She represents many of the nation's leading real estate and retail companies in the leasing, acquisition and disposition of numerous office, shopping center, industrial and development projects throughout California and the United States.

"Jenifer will be an excellent addition to our partnership," said Paul Metsch, managing partner of Solomon Ward Seidenwurm & Smith. "She joined our firm only five months ago, and she has already established herself as major contributor to our practice."

Thomas has spoken on leasing-related topics for such organizations as The San Diego County Bar Association and the State of California's Continuing Education of the Bar.
