Solomon Ward Seidenwurm & Smith, LLP is a full-service business law firm that has dedicated itself to providing superior legal representation for more than 40 years. The firm delivers the high-caliber services of large national and international firms, but at competitive rates that smaller San Diego businesses can afford.

The firm is especially proud of its sophisticated, in-house approach to managing and securing electronic data and communications, including extensive, state-of-the-art electronic discovery capabilities. "We control the data ourselves," Managing Partner Daniel E. Gardenswartz says, "allowing us to offer high-level protection and increased quality control at a much lower price. We're dedicated to your peace of mind."

"We strive to be more than just a law firm. Our goal is to serve as our clients' partner, finding strategic and efficient solutions for their business and legal challenges."
—Daniel E. Gardenswartz,
Managing Partner
