WILMA WOOTEN
Public Health Officer
County of San Diego

Dr. Wilma J. Wooten, M.D., Public Health Officer for the County of San Diego. Dr. Wooten has endured a lot since she began her tenure with the County. She has helped us through: Measles, Chicken Pox, H1N1, COVID-19, and a host of other health issues. She takes the blunt of public criticism and still stands her ground and do what is best for the County as a whole; and does not fall for political pressures. No one takes a true look at what she does and how long she is been doing her best to protect the County.
